

# Meetnet Storage Server

## PI Structure

The new data02 is configured identically to the old data03 with the same PI group structure and access rights. The current PI structure :

| Name             | Name             |
|------------------|------------------|
| pi-aarts         | pi-aartsma       |
| pi-allan         | pi-bhattacharyya |
| pi-bouwmeester   | pi-dedood        |
| pi-gast          | pi-groenen       |
| pi-heinrich      | pi-huber         |
| pi-jawerth       | pi-kraft         |
| pi-loeffler      | pi-morin         |
| pi-oosterkamp    | pi-orrit         |
| pi-schmidt       | pi-semrau        |
| pi-vandermolen   | pi-vanexter      |
| pi-vanhecke      | pi-vannoort      |
| pi-vanruitenbeek | pi-groot         |
| rost             |                  |
